

## FFC-40

### Hydraulic Hose Cutting Machine Max.2" Multispiral

Powerful hose cutter for easy cutting of R15 hoses up to 1 1/2" and multi-spiral hoses up to 2". A special force multiplier hand lever makes the cutting action easier for the operator.

It will cut a R15 1 1/2" hose in less than 5 seconds. The machine comes with a powerful 5KW brake motor and a 350mm HSS Steel Slotted Blade. Optionally the machine can be connected to a simple smoke suction unit.

Cuts  
up to 2 1/2"  
Hose

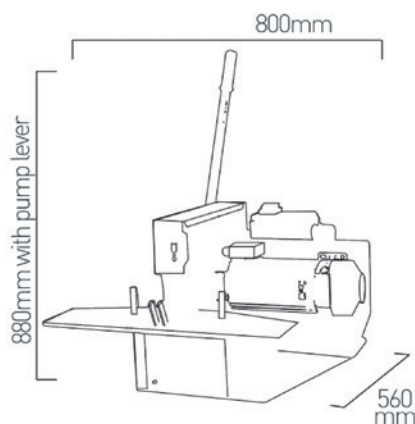

#### PRODUCT FEATURES

- POWERFUL HOSE CUTTER WITH BRAKE MOTOR AND EFFORTLESS PUSHER

#### OPTIONAL

- SMOKE SUCTION KIT + SPARK BARRIER
- BENCH SUPPORT
- CUTTING RAIL
- MEASURING DEVICE
