

Hose Crimper Kits

Cofluid Portable Hand Hose Crimper Starter Kit

Light portable hand crimper for on-site hose repairs.

Ideal tool for ON-SITE hydraulic hose repair jobs.

Typically used in agriculture, forestry, road works either loaded at the back of the mobile van or in a workshop as the emergency hose repair tool.

The double speed hand pump limits the number of pump strokes needed to achieve a crimp.

This kit comes with 3 different Die sets and a range of hose and fittings to suit this crimper.
